

## FOSTERING FAMILY MINISTRIES

### Regional Coordinator

Fostering Family Ministries is a coalition of churches committed to finding a loving home for every child in foster care, to see God set the lonely in our families (Psalm 68:6). In order to see our vision of a church for every child become a reality, each partner church has a Champion that engages and equips their church to cultivate a culture that cares for vulnerable children, particularly by supporting foster & kinship families and the children placed in their homes. We are looking for someone who is passionate about seeing vulnerable children placed in loving homes that will help encourage, coordinate, and train the champions in their county.

A successful Regional Coordinator will:

- Be a devoted follower of Jesus Christ, daily acknowledging Him as Lord and Savior and an active member in good standing of a Fostering Family Ministries partner church
- Help recruit churches to become partners with FFM and launch family affirming ministry to foster children
- Encourage Champions in their efforts to inspire and equip their church in wrapping around Foster & Kinship Families, monthly coaching & quarterly update virtual meetings
- Become proficient in leading the Church Champion Clinic both in person and virtual (take Train the Trainer and co lead before taking full responsibility)
- Become proficient in leading the Trauma Informed Ministry Training (take TBRI Caregiver Tng, and Train the Trainer)
- Help connect and wrap Care Teams from partner churches around Foster & Kinship Families who are not part of a local church
- Collect and share success stories from churches foster care ministries to be shared
- Where applicable, support the technical implementation of CarePortal as a means to share material needs
- Pursue funding opportunity information and work with Director on submission of grant proposals
- Coordinate regional participation in Foster Care Awareness Month, Made for Home Banquet Series and Pure Religion Sunday as well as any other joint awareness, recruitment or support raising efforts (Color Fun Walk & 5K Run, Parent's Night Out, etc...)
- Use their skills and passions to add to the exceptional work and equipping of the Champion team

\*This is a paid ministry role, averaging 12-16 hours/week, can be expanded as financial support & need grows through additional partnering churches & counties.
